update

Dear Employees, Residents and Family Members:

As we continue the process of affiliating Souderton Mennonite Homes and Dock Woods Community under a new parent company, a number of good questions, suggestions and affirmations have already been brought forth by residents and team members.

We welcome your input on the affiliation, and are establishing Information Stations on each campus to collect your thoughts and help keep you up-to-date throughout the affiliation process. Specifically, the stations will include a list of key contacts, letters from us, a list of responses to frequently asked questions, and highlights from each Integration Task Force and Communications Task Group meeting.

The Information Stations will also include a comment box for you to share your thoughts. The Communications Task Group will review each comment or question. For those that are signed, we will make sure you receive a personal response.

You can find Information Stations at the following locations:

Souderton Mennonite Homes

- Main Lobby by Apple Orchard
- Apartment Lobby by Fitness Center
- Employee Dining Room

Dock Woods Community

- Administrative Office Lobby, Towamencin Campus
- Dock Manor Lobby, Towamencin Campus
- Main Lobby, Dock Meadows Campus

Of course, if you prefer, please feel free to contact either of us, or e-mail affiliationinfo@gmail.com, with any thoughts you may have regarding the affiliation.

Thank you for your continued support as we seek to strengthen our communities and extend the reach of Anabaptist senior care services in southeastern Pennsylvania.

Sincerely,

Edward D. Brubaker
